

	INVITATION FOR BID Bid #09-22/23 City of Stillwater Concrete Supply and Delivery Issued: Saturday, September 3, 2022	EXHIBIT A BID FORM
---	--	--

**EXHIBIT A
 SPECIFICATION AND BID FORM**

All materials shall comply with 2019 ODOT Standard Specifications, Section 701, Portland Cement Concrete.

The City of Stillwater does not guarantee any specific quantity of material requests that will be made during the Agreement. If the Contractor's prices cannot stay competitive with the outside market, the City of Stillwater reserves the right to purchase from outside sources.

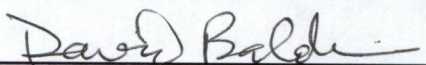

Contractor must be able to deliver the material. Failure to do so may result in the City of Stillwater terminating your contract or cancelling the Purchase Order, as well as seeking any other damages to which it may be entitled in law or in equity.

Contract, if awarded, will commence on the date of the contract execution with an expiration of June 30, 2023. Contractor guarantees the price stated below for sixty (60) days from proposal date and for the duration of the contract, if awarded. Upon mutual agreement of both parties, the service contract may be renewed for up to three (3) additional one year periods. This proposal will become a binding Contract only after acceptance by City of Stillwater and Contractor. The services provided in the specifications will be payable based on material invoices approved by the City of Stillwater. No other fees or interest will be included in this agreement.
