

## The City of Stillwater's Hydrant Flushing Program

We periodically flush in certain areas of the water systems to maintain water quality. During this time, you may notice water service crews working at fire hydrants and see water running down the street.

For more information, contact the Water Utilities Service Center at:  
405-533-8048 Daytime (7am - 4pm), 405-372-3292 After Hours
